Mary Ross says of herself, "Nature, a source endless in variety and inspiration, provides me with opportunities for expression which a lifetime would be too short to exhaust." Collages are another world which she enjoys exploring. "Sand and paper ... just about everything can be used in harmony."

LAND O LIGHT — GIFTS

To The Independent Voters of Mattapoisett:

I would like to urge the Independent voters of Mattapoisett to vote in the State Primary Election, Tuesday, September 10, 1974, at the Old Hammondtown School.

There are more than 1500 registered Independent voters in Mattapoisett. However, in 1972 less than 200 people voted in the State Primary. Unfortunately, such poor attendance at the polls has inadvertently earned Mattapoisett poor state representation. It seems that 200 voters are all too easily overlooked by state representatives with commitments to larger voting blocs.

Now is the time to stop this trend by ensuring a strong voter turn-out on September 10. I urge you to support George Rogers, candidate for State Senator. Mr. Rogers has visited Mattapoisett frequently and has promised the townspeople effective representation. I am convinced that, if elected to the State Senate, George Rogers will finally provide the responsive leadership Mattapoisett has so sorely lacked in the past.

Sincerely,

Michael L. O'Brien

Michael L. O'Brien

Voters registered as Independents can now vote in the state primary and because of the new provisions under the voting laws, have the option to revert to Independent status at the Old Hammondtown School immediately after casting their ballots. The Registrar of Voters will provide this service.

Michael O'Brien, left, and candidate George Rogers.

Leave your house by the side of the road not your pet. Perhaps the cruelest part of the summer's end is the abandonment of animals by people who are returning home. It happens every year. Gentlemen:

I am in receipt of a letter from George Hall (written on your behalf) in regard to H5580. That bill has been incorporated into H6384 which is a Study Order. Presently, the Order is before the House.

As you requested, I will give the legislation my support. However, an explanation is in order. Originally, the bill was designed to provide local aid for transportation purposes. It then became part of a Study Order which in essence is merely a directive to the Committee on Transportation to study the issue.

With every good wish I remain,

A domestic pet is no more able to live off the land than a child would be if left behind. Pet owners - please take your animal friend with you. If there is no possibility of doing so, call the dog officer and leave your dog or cat in his hands so that at least they won't suffer from lack of food and shelter. It is cruel beyond reason to reward your pets for the affection and companionship they so generously bestow by throwing them out like so much rubbish.

TO PROCEED WITH STUDY

The Water Pollution Abatement Committee met with Selectmen to discuss the recent meeting held with Mr. Greeley of the Massachusetts Division of Water Pollution Control. After a thorough analysis of the facts, it was agreed that the Water Pollution Abatement Committee would proceed in accordance with Article 47 voted at the Annual Town Meeting. This provided that $3000. be used for a feasibility study and preliminary plans of a sewage plant based in the town. The Water Pollution Abatement Committee will now consult engineering firms to initiate the study.

FREDERICK FARNHAM ELECTED

Some of the world's great banks are unbranched.

Like ours.

Not that we have anything against branches. It's just that most people like us right where we are. And they keep telling us so.

Instead of building branches, we've been building on. Putting it all together in one place. Right here on Route 6 where we're so easy to reach from practically everywhere. And the parking's easy.

Why don't you discover for yourself one of the world's great banks. What a real convenience our unbranched banking is. Either with Big Doc, our 24-hour teller out front. Or at our early-bird, triple-lane drive up window. Or in our main bank during regular hours.

Lots of banking options are yours when you bank with us. We're waiting for you. We want you to discover one of the world's great banks.

Ours.

BIKE PATH ADVISORY

The town has been advised by the Massachusetts DPW that the proposed Mattapoisett Bi-Centennial bicycle path looks very favorable for funding. The State asked for additional data projecting future users of the bike trail. After these are provided, the Board of Selectmen will meet with Bruce Campbell, Commissioner of Transportation, to discuss final agreement for funding.

SIGN BANS PARKING

A no parking sign has been installed at the Industrial Park entrance on North Street. It was requested because parking at the entrance made it difficult for trucks to make the turn and parked cars caused a hazard by restricting the view.

POLICE CONTRACT SIGNED

The Board of Selectmen and Police Brotherhood signed a contract last Wednesday retroactive to July 1, 1974 which will continue in force to/or beyond June 30, 1976 unless renegotiated under provisions of the contract.

LETTER ON SIGNS

Harold S. Luther wrote Selectmen noting that new traffic signs are to be installed on Beacon Street. He wondered if lost, damaged and rusted signs on Ned's Point Road can be replaced or uncovered from bushes and trees. He complimented the Police Department in cutting down town speeders particularly on Water Street, Beacon Street and Ned's Point Road. Mr. Luther stated that police are trying hard to correct the speeding problem.

I feel I know some of the problems of our district.

The three youngest members of my team don't know much about the extravagance of maintaining the 2nd largest legislative body in the nation or the unfair distribution of state aid to cities and towns and the need for aggressive Republican leadership in our district. I don't want them to; that's why I'm running.

Successful Grange Fair

A most successful Mattapoisett Grange Fair was held Saturday, August 24th. Some One higher up made it possible for us to have a fine display of vegetables and flowers. Mr. and Mrs. George Allen of North Dartmouth, who were judges, were quite amazed at the fine collection. You see it had been the weather versus the gardeners.

The Fair opened at 2 P.M. with Rep. Charles MacKenzie, Jr. who presented the State Agricultural Rosette to Dennis Sylvia for the largest all round exhibit of vegetables, plants and flowers, and one of the Rosettes from the Massachusetts State Grange to Mr. Carl Wagner.

A delicious supper was served Friday night by William Smith, Bernadette Alves, assisted by Karen Barrows and Toni Sylvia of the Junior Grange.

At this time the members of the Committee and Grange extend many thanks to all the

MEETING OF COUNCIL ON AGING

The Southeastern Circa Region VII which includes the Cape and Islands Council on Aging, held its summer conference Wednesday, August 21st, at the Red Coach Grill in Middleboro.

The meeting was presided over by the Circa President, Mr. Christian Schembri, who also is the Director of Elder Affairs, the editor of the "Old Colony Elder".

Mr. Schembri, as usual, was very eloquent and can hold an audience "spellbound" in speaking and introducing the speakers and guests. Jack Leff, state secretary of elder affairs, was the main speaker. George Malloy of the regional office of Health, Education and Welfare Administration of Aging, spoke briefly, as did other active heads of departments, Councils and AAA. Joseph F. Greany, regional coordinator, introduced Bill Jackson and many others who just acknowledged the introductions.

Jack Leff was a very impressive speaker. He stressed the need to change the image of the senior citizens - get them dancing, going on trips and keeping the seniors active. He

ATTENTION - ALL VOTERS OF MATT.

The petition for Housing for Mattapoisett's Elderly to the "Commission of Community Affairs" is much more important to the younger voters, because if the Housing for Mattapoisett's Elderly is not here, you will only hurt yourselves!

The Federal Government will step in, whether you like it or not and federal housing will be erected. Who knows? Perhaps a 10-story building, open to all!. Housing will come to Mattapoisett!! You better believe it. It's up to You! Will it be a nice architectural design in keeping with the environment of our community for Mattapoisett's elderly or public housing? Now is the time before it's too late. Sign the petition. The elderly of Mattapoisett will have the privilege if it doesn't come too late. Your signature and vote will be responsible for the outcome. The Seniors need your vote as well as you need the Senior vote.

Tobey Junior Volunteers

Twenty-two Junior Volunteers have devoted their mornings this summer to service at Tobey Hospital. The volunteer program under the direction of Mrs. Clara Mascott, Director of Volunteers, was instituted to acquaint the young adult with the hospital environment to help him make a wiser career choice in the many health care fields and to enable them to perform a needed community service. The volunteers performed duties in many departments: Nursing Service, admitting (both inpatient and out patient), central service and supplies, dietary, medical library, rehabilitation, and ward secretarial units. Each youngster was trained by the hospital personnel obtaining his assistance.

On Tuesday, August 27th, at 2 P.M. an Awards Ceremony was held in the Tobey Hospital Dining Room to recognize the service of the Juniors. Mr. Warren Bishop, Administrator, will note the hours completed and present a pin to each volunteer. Parents are invited to attend.

Those completing the program are: Tammy Alander, Craig Baxter, Amy Gleason, Jean Ramsay, Deborah Sandler, Wareham; Giselle Bernagozzi, Monument Beach; Catherine Burley, Eloise Fisher, Kathleen Jones, Sarina Monast, Andrea Nickas, Mary Alice Swift, Buzzards Bay; Louisa Cabot, Mary Gallini, Pamela Gibbs, Deborah Holt, Nancy Jepson, Brewer Stone, Jennifer Stone, Tamaree Tripp, Marion; and Katherine Hill, Marion Sawyer, Mattapoisett.

election. Registration closes 28 days before the state primary to be held this year on September 10. Voters may still register to vote in the next regular state election scheduled for November 5. Deadline for this registration is October 8. Officials are required by law to register voters when they apply even if they are too late to vote in the next upcoming election. These names are temporarily placed on a supplementary list and added for the next scheduled election.

Voters may call their own city or town hall to learn when and where to register. There are no time requirements on how long you must live in the state or community to register to vote. To register, a person must be a U.S. citizen, 18 years old by election day and a resident of the community in which he registered at the time of registration.

This question is one of the many now being received by the League of Women Voters Information Phone. Individuals with any questions on government may call the VIP phone Monday through Friday between

EVENING COURSE AT SMU

The Continuing Studies Division of Southeastern Massachusetts University will feature an evening course conducted by Bert Yaffe of Fall River entitled "Dynamics of Social Trends and Political Action" in the Fall term of 1974.

The course will integrate the theoretical and practical approaches to Contemporary American political structures as they apply to local, state and national issues. Each weekly session will involve an interplay among political professionals, students and instructor.

Yaffa was a Floor Manager during the 1972 Democratic Convention and will be a delegate to the National Democratic Mid-Term Convention in Kansas City this year. He was the Democratic candidate for Congress against Congresswoman Heckler in 1970.

Topics for the thirteen weekly classes will include: 1) Conservatism and Liberalism - What did these terms mean in the past? What will they mean in the future? 2) Party politics - Has it lost its relevance? 3) Ethnic politics: The politics of the past or the politics of the future? 4) Fall River: A political portrait. 5) The politics of class: Who really rules America? 6) Who runs Congress? 7) New Bedford: A political portrait. 8) The politics of reform. 9) Reform politics: Workshop. 10) The politics of health care: The issue of 1976? 11) Federal revenue sharing with localities and states: Promise and fulfillment. 12) The politics of Vietnam: What did it really do to America? 13) State representatives: Are they?

Registration for evening classes will take place on September 3 and 4, 9 A.M. - 4:30 P.M. and 6:30 - 8:30 Pm. at SMU.
